Throughout our lives we have relationships that mold our hearts and ultimately affect the way we live. At times these relationships cause us to have broken hearts that only Jesus can heal. We no longer feel the fullness of joy, the completeness of peace, or the overflowing love that Jesus offers. There is a cry from deep within our hearts that we ignore because we don't want to deal with the hurt. However, if we open our heart and allow Jesus to heal it, we can obtain His joy and peace. This retreat will inspire you to open your heart to Jesus and allow Him to nurture your soul. As we explore how to apply the truths of God's Word, we will not only heal our hearts but be empowered to live out our future relationships with the fullness of joy and overflow of love that only comes from Christ.

He heals the brokenhearted and binds up their wounds. He determines the number of the stars and calls them each by name.

Psalm 147:3-4
